

Center #1: Creating a Math Voki

Question: How would you explain scientific notation?

1. Go to www.voki.com
2. Register for an account, if you don't have one.
[If you are on an ipad or an android, you need to go to the app store and download Puffin Academy to access voki.]
3. Click the "Create" button.
4. To select your avatar, click the "customize your character" button and choose one. [If time, feel free to make other customizations to your character.]
5. To make your avatar talk, click either the phone, the text or the microphone. Follow the directions to provide your avatar with text. When finished, click done.
6. If you want a new background, select one from the background
7. Then click publish.
8. Click the share button and grab the permalink --- paste it onto the google doc so others can see your voki.
